Artisan Crafted Specialty Cakes

Artisan Kitchen is pleased to provide custom specialty and Wedding cakes.

Bring in your own ideas, or let our cake artists design something perfect for your next occasion. Our specialty and wedding cakes are temporary works of art, and taste as good as they look. Our team of pastry chefs bring both a knowledge of their craft and a love for creativity to each project. From simple elegance to over the top decadence, we can design a cake that is individually yours.

Pricing for all tiered/stacked cakes are based on the number of servings you'll need. Cakes with buttercream or cream cheese icings start at \$4.00/serving. Fondant covered cakes start at \$5.00/serving. Additional charges vary based on design.

Visit our website, artisankitchen.net, and follow the link to our gallery to view hundreds of pictures of cakes we've designed and created over our 15 year history.

We would be happy to schedule your consultation and tasting today.
